Tijuana city tour: Come aboard our tour and fall in love with Mexico! As we enter a world of contrast after crossing the border we will visit the most interesting places over the largest city of the Baja peninsula. On the road we will visit the demolished Tijuana Bullring, the Tijuana Water Tower and the Hipódromo. We'll end our tour on the Avenida Revolución, which in the past was an important center of economic development and known as the center of prohibited entertainment for people from the US. Currently it is the center of tourist activity in Tijuana with its many cantinas, table dance bars, dance clubs and art galleries.

But before you go to the many little Mexican craft shops, you will experience the Tijuana tradition of making your own taco at the lovely restaurant La Placita. The taco is made with a delicious tortilla filled with meat, chicken or veggies, and all the trimmings such as guacamole, salsa, cilantro and onion.
